Manifesto

At Visuddha Entertainment, we empower the creative journey. We have played a pioneering role in the Entertainment Industry in the Riviera Maya - Mexico, by creating memorable experiences through art, culture and diverse audiovisual elements.

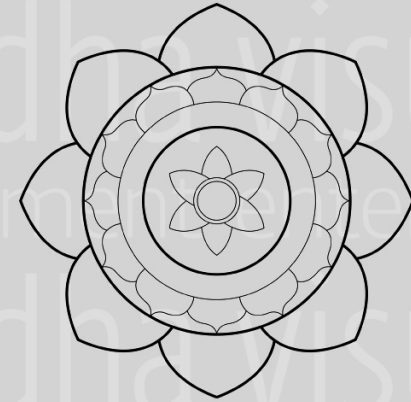

From our position at the intersection of music, entertainment, and technology, we bring imagination and expertise to the MICE (Meetings, Incentives, Conferences and Exhibitions) and Destination Wedding Industry, we embrace new business models, employ breakthrough tools, and provide powerful insights that help our customers push creative boundaries to connect their audiences.

Today, we support our clients in generating events that allow people to connect, share ideas and create memories. In everything we do we are committed to integrity, transparency and inclusion through sustainable actions to positively impact the present and future.

ESG | Environmental, Social and Governance

Visuddha Entertainment aims to integrate ESG issues into the investment process, assets acquisitions, and company operations. This should be aligned with our Sustainable Development Goals to invest and operate responsibly, provide value to our stakeholders, enhance returns and better manage risks by:

- Incorporating ESG, SDG and our Code of Ethics into the strategic-planning, decision-making, and creative processes.
- Promote acceptance and implementation of the principles within the company operations.
- Work together with our stakeholders to enhance the effectiveness of sustainable principles.

Our Commitments

Sustainability

We strive to reduce our carbon footprint by using reusable materials and avoiding disposable items.

Diversity

We provide equal opportunities to all genders, respecting everyone without any discrimination based on religion, ethnicity or different abilities.

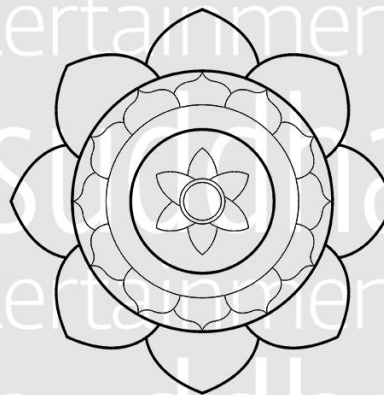

SDG | Sustainable Development Goals

Decent Work and Economic Growth

By providing competitive wages and healthy work-life balance.

Peace, Justice and Strong Institutions

We promote peaceful and inclusive values to foster a sustainable culture. Our corporate governance is based on being inclusive, effective and accountable.
